

In this idyllic Bat Yam location in the heart of the Tama 38 green urban renewal you'll find the prestigious Park Hashikma project facing green landscapes and spectacular Mediterranean vistas. Characterized by elegant luxury architectural detailing, the stylized lobby welcomes with comfortable seating. Park Hashikma is offering just 12 new 3 bedrooms apartments of diverse sizes. Each apartment comes with a stunning view. Choose from seascapes or green park landscapes.

Every apartment is built to richly appointed specifications for ultra modern living, including smart home installation readiness, mini central air conditioning, quality kitchen cabinetry, stylized front door, and unique special planning.

Park Hashikma - merging the ideal location surrounded by park greenery, the shore and promenade, education facilities and easy transportation access with quality construction and the latest in current home perceptions.

MODEL A

Spacious 3 bedroom apartment with stunning Bat Yam sea views. Built to strictest architectural standards and accessorized according to prestigious technical specifications, including smart home installation readiness, outfitted with top quality kitchen cabinetry, stylized front door, mini central air conditioning, and more. The spectacular Mediterranean sea vistas are maximized with expansive living room windows that flood the internal space with light and lead to the sun balcony. Particular attention is paid to planning with important details such as ample storage space and insulation integrated into the entrance to separate it from the private living area. Parents' luxury suite includes full bathroom en suite.

Area: 104 sq.m.
Sun balcony: 6.6 sq.m.
